# DAHLIAS

Varieties marked "C." are Cactus; "H. C.," Hybrid Cactus; "D.," Decorative. Those marked with a star (\*) are California dahlias.

\***DR. H. L. TEVIS (D.)** A beautiful shade of salmon-rose, suffused with old gold shading to apricot. 50c.

\***GLADYS SHERWOOD (H. C.)** An immense cream white blossom. One of the finest garden flowers. Very free, and the enormous blooms are held erect on strong stems. 75c.

\***HELEN DURNBAUGH (H. C.)** Delicate blush, deepening rapidly toward the center to an intense, soft glowing pink; blooms medium to large. 75c.

**INSULINDE (H. C.)** Very large orange buff, overlaid with a golden sheen, shading to orange deep in center, with old rose on reverse of petals. The petals are broad and curly. The stems are perfectly straight and wiry and the blooms face up like a chrysanthemum. The best cut flower of this color. \$1.00.

**"JEAN CHAZOT OR GAY PAREE" (H. C.)** An early and continuous bloomer. Color a beautiful golden bronze with faint suffusion of Nasturtium red. 75c.

**KING OF THE AUTUMN (D.)** Buff yellow, suffused terra cotta. Stems very long and strong. Wonderful keeper as a cut flower. 50c.

\***KITTIE DUNLAP (D.)** Blooms freely all season, has good keeping qualities, long firm stems, immense size and great substance. In color like American Beauty rose. \$1.00.

\***LA FAVORITA (H. C.)** A new and distinct coloring of most brilliant orange on a good stem. 75c.

**"MR. C. H. DRESSELHUIS" (D.)** A soft rose-pink with white suffusion towards the tips. A prolific bloomer and splendid cut flower. 50c.

- \*MRS. CARL SALBACH (D.)** A new Californian of extreme merit. Color a very attractive shade of lavender-pink. Stems very long and straight. A lasting cut flower. \$1.00.
- MRS. NAT SLOCOMBE (D.)** A good primrose-yellow of splendid shape with good stems and very free. 50c.
- PATRICK O'MARA (D.)** This has won high honors at many shows throughout the country. It is of free-flowering habit. The flowers, supported on long stiff stems, are of good size, perfect form, and in color a rich chrome yellow, with salmon-red suffusion. 50c.
- \*PAUL MICHAEL (D.)** One of the sensational large exhibition flowers which has twice been awarded the prize for the largest flower in California shows; petals quilled at base, curled and twisted. Color pure gold, shaded orange-buff at center. \$1.00.
- \*POLAR BEAR (D.)** A California introduction. It is of the purest white, the flowers of great size and excellent form, borne very freely on good long stems and last wonderfully either on the plant or when cut. The only American variety to win an award of merit from the N. D. S. and R. H. S., England, 1924. 50c.
- \*PRIDE OF CALIFORNIA (D.)** A brilliant, glowing cardinal-red, of very large size held on extra good stems; very free and a wonderful keeper as a cut flower. 50c.
- \*PRINCESS PAT (D.)** A magnificent new decorative of a glorious shade of old rose. Very large flowers, growing well above the foliage on long stiff stems. A beautiful dahlia and good keeping qualities as a cut flower. \$1.00.
- SKAGERRAK (C.)** A beautiful clear lemon yellow. Flowers without dis-budding; measures 7 inches in diameter, and is held erect on good long stems, making it an ideal cut flower. \$1.00.
- \*SNOWDRIFT (D.)** This is the best decorative white we have seen. A very deep built, immense flower, with broad, waxy, pure white petals. \$1.00.
- \*THE GRIZZLY (D.)** A great dark, velvety maroon beauty. Flowers are extra large with reflexed petals and extra long stems. A rare prize-winning novelty. \$1.00.

## Delphiniums

(Hardy Larkspur)

A limited quantity of seedlings of the following NAMED ENGLISH VARIETIES for spring delivery at 50c each, \$5.00 per dozen:

**AMOS PERRY.** Flowers semi-double 2½ inches across; rich rosy-mauvé, flushed sky blue, outer petals sky blue, conspicuous black eye.

**GEN. SIR DOUGLAS HAIG.** Beautiful novelty with enormous large spikes, densely filled with large dark purple and blue flowers.

**MRS. CREIGHTON.** Medium sized flowers, pretty shade of rich Oxford blue, rich plum center, dark brown eye, spike much branched; one of the darkest.

**REV. E. LASCELLES.** A rich blue. The center of the flower with snowy-white petaloid stamens, conspicuously edged with blue; one of the best. Award of merit R. H. S.

It is understood that seedlings do not always come true to the parent plant, but by getting seedlings of named varieties you are assured of getting the best to be had and sometimes new varieties of merit.
